Classroom Behaviour
At the beginning of the school year our teacher will negotiate classroom rules and roles and responsibilities with the children.

Step 1-Class Consequence
The teacher will give a class consequence such as a warning, reminder or class time out.

Step 2-Relocation
If the child continues to misbehave they will be relocated to a neighboring class to reconsider their behaviour choices.

Step 3 -Office Time Out
This is the final school based consequence.
The child will be asked to work at the office for a period of time (depending on the age of the student).
Students may re-enter their class if they are calm and ready to take responsibility for their behaviour.
Parents are notified of Office Time Out
After 3 Office Time Outs in 1 Term
Parents are contacted and the child is sent home.
This is called Take Home.
