

PARENT INFORMATION BOOKLET

Welcome to

MARION PRIMARY SCHOOL

2017

OUR MISSION

We are a vibrant, inclusive and caring community-oriented school that conveys a distinctive “country school” feel. Our highly professional and dedicated staff is passionate about achieving quality, positive outcomes for all students through differentiated programs that nurture their physical, intellectual, social, mental and emotional wellbeing. As a team we pride ourselves on creating a dynamic learning environment that fosters the development of positive and trusting relationships. We strive to inspire, challenge and support our students to be curious and show a love of learning; to become lifelong learners who will contribute successfully as valued members of their community.

STATEMENT OF PURPOSE

This school recognises and values the contributions and participation of the whole community in developing policies, goals and programmes which will set expectations for personal excellence where all feel safe and secure in an atmosphere of co-operation and trust.

SCHOOL HOURS 8.45 a.m. - 3.15 p.m.
RECESS 10.55 a.m. - 11.15 a.m.
LUNCH 12.55 p.m. - 1.05 p.m.
PLAY 1.05 p.m. - 1.35 p.m.
END OF DAY 3.15 p.m. (all students must be under the supervision of parents/carers by 3:30pm)

TERM DATES:
Term 1 30th January -13th April
Term 2 1st May - 7th July
Term 3 24th July - 29th September
Term 4 16th October -15th December

SCHOOL FEES - \$290.00 (per year)

PRINCIPAL: Ms Cheryl Ross

DEPUTY PRINCIPAL: Ms Stacey Eichenberger

SCHOOL SERVICE OFFICERS

Steve Trevena	Finance; WHS; website
Sue Whittaker	Reception & front office admin; Leadership Support; First Aid
Alison Edwards	Library; Student Support
Julie Hewitt-Hunt	Student Support
Janine Baker	Student Support
Eryka Mildwaters	Student Support
Eileen Butler	Aboriginal Community Education Officer & Student Support
Matt Davis	Library; Grounds Support
David Moore	Grounds Person (Monday – Friday afternoons)

TEACHERS

LOTE - Spanish	Mercedes Puyo Opitz
Health & PE	Benita Fagan
Digital Technology/ICT	Ros Mazurek
Rec	Georgina Sprigg
Rec	Michelle Triantafylakis
Yr 1/2	Jo Byrne
Yr 1/2	Melissa Quartuccio
Yr 3	Annie McDonnell / Kaye Wilson
Yr 4/5	Nathan Starling
Yr 5/6	Livia Fedele
Yr 6/7	Mark Pavlich

OSHC DIRECTOR

Sheila Wates

PASTORAL CARE WORKER

To be appointed for Term 2

Cleaners – Southern Cross Cleaning (SA) Pty Ltd

HISTORY

The land on which the school is built was, in the early years of the colony, much frequented by Kaurna Aboriginal people. The proximity of the Sturt River and much pleasant forest pasture meant an abundance of game. A burial ground and camp site existed near the Suneden School. The land was bought from the Crown as part of a large estate "Oaklands" by Samuel Kearne. It was then in turn developed by John Crozier as an Orchard and later as a Muscatel vineyard by the Western family until high rate values necessitated the sale of the property and division into gardening allotments. The land was bought by Housing Trust in 1955 and developed as building blocks. The streets adjacent to the school were named after members of the Western family.

Marion Primary School opened in September 1971 as an annexe of Mitchell Park Primary School with 84 students. Mrs. Barbara Denman was the acting Principal. The school was officially opened in February 1972 with an enrolment of 184 students. The staff consisted of seven. Mr. Geoff Tucker was the foundation Principal.

After a dip in enrolments, the school's enrolment is beginning to grow again as the surrounding demographics experience renewal. Currently the student population is approximately 200. Additional facilities have been provided and the grounds are attractive and well cared for. Parental involvement in classroom activities is high and communication between school and home is welcomed and encouraged.

GENERAL INFORMATION

ADMISSION: TRANSITION – PRESCHOOL TO RECEPTION

In line with new Government policy, children must turn 5 years old on or before April 30th in the year they commence school in S.A.

A transition programme for children includes four orientation visits to our school with the new teacher over a four week period in Term 4, including a meeting with the Principal on the last transition date.

In addition, Marion Primary School provides an extended transition to school through its preschool program called GREAT (Get Ready Engage And Thrive) which is run from mid-Term 1 to mid-Term 4 each year.

Our school enjoys a positive relationship with our feeder preschools with the Principal and Reception teachers maintaining regular contact during the year.

Each term the Principal conducts a tour of the school for new families interested in enrolling their child for 2018.

ABSENCE FROM SCHOOL

Regular attendance at school is important for a child's learning and development. It is expected that students will participate fully in the educational program provided by the school between 8:45am – 3:15pm daily. Poor attendance and regular late arrival or early pick-ups may lead to learning difficulties because children who are frequently absent are likely to miss the basic skills needed for their future education.

The Education Act requires that an explanation for a child's absence from school be provided on each occasion. Parents are urged to comply with this request promptly as it supports the best learning opportunities for your children and stops embarrassing situations arising.

Lawful reasons for students' absence from school include:

- Sickness or incapacity
- Danger of being affected by an infection or contagious disease
- Events of cultural significance
- Unavoidable and sufficient cause

We strongly encourage parents to ring in the morning if their children are not attending school. Alternatively a message can be sent using the School Star message app.

The class Roll Book (a legal document) requires teachers to indicate if reasons are satisfactory or unsatisfactory when children are late or requests are made for their early dismissal.

No child may leave the school grounds during school hours without permission of the Principal. Parents who wish to collect their child early for appointments are requested to ensure the class teacher is advised ahead of time. The child must be signed in and/or out at the Front Office by the collecting adult who is known to Front Office staff. If this is someone other than the parent/caregiver, a letter of authorisation or a phone call from the parent/caregiver prior to the child being collected is expected. Please ensure where possible that appointments are made outside of school hours.

ACCIDENTS AT SCHOOL

The Education Department does not insure children attending its schools. Parents may seek to protect their children through insurance. Teachers will endeavour to ensure that children are cared for and will act in the same fashion as a careful parent. Their duty, however, is to try and prevent accidents that are reasonably foreseeable, not to ensure that accidents never happen. Whenever an injury occurs the child will receive prompt attention, the parents will be notified if relevant and medical referral made if necessary.

ASSEMBLIES

Whole school assemblies are held each fortnight on Friday morning (alternative to Newsletter Week) at 9:00am. Each class takes a turn to host the assembly which sees all classes present something they have been learning in previous weeks. Parents and friends are welcome and encouraged to attend.

During the year assemblies may focus on special events including:

- Harmony Day
- Book Week
- Sports Assembly

BANKING

A student banking service to encourage saving is provided each Tuesday by the Commonwealth Bank. Deposits brought by your children are entered into their account via computer by the front office staff.

BEHAVIOUR – SCHOOL CODE

At Marion we want all children to learn and play in a safe, friendly and caring environment. Behaviour which contravenes school or class rules is considered an opportunity for the student's personal development and learning. This school is proud of its standards of discipline. Children are expected to conform to the School Code of Behaviour. Parents/Caregivers are expected to sign this Code indicating their support and willingness to cooperate with the school in ensuring the best learning environment for our students.

BICYCLES

A locked bicycle enclosure is provided near the administration block. This area is out of bounds to children during the day except on arrival or departure. No responsibility is accepted for loss or damage to bikes and other transport. Locks and chains for bikes etc. provide additional deterrents; these must be provided by the owner. The use of bicycle helmets is a legal requirement. For safety reasons bicycles may not be ridden anywhere in school grounds except under staff supervision. Once students have arrived at school it is expected that their bike/scooter will be secured and they will not leave the school grounds without permission.

BREAKFAST CLUB

Breakfast Club is organised with the support of the Kick Start for Kids organisation that provides volunteers to manage the program. Families will be advised of the mornings that breakfast will be available as the availability of volunteers becomes known.

CANTEEN

Our canteen is organised to provide a service to students and their parents. It is run by volunteers and parents/carers are asked to help if at all possible. A roster is drawn up by the Canteen Committee. Your assistance in keeping this valued operation running is appreciated. A price list of food items is available. It would help if parents/carers of younger children wrote the lunch order on the lunch bag and placed it in the appropriate box in the classroom. Lunch order bags are available from the canteen. Lunch orders are sent to the canteen at the start of each day.

CARE OF PROPERTY

We are particularly proud of our school grounds and buildings and encourage the students to help maintain them in good order. Parents should be aware that the school Governing Council is empowered under the Education Act to seek reimbursement from parents of children who deliberately damage or deface facilities or furniture.

To avoid loss or damage to personal property parents are advised not to allow their children to bring valuable items to school (digital technologies, mobile phones, toys etc) unless this has been arranged with a teacher for a specific purpose. The school does not take responsibility for the loss or damage to any personal property brought to school.

COMMUNICATION

Reporting Progress

- An Acquaintance Night is conducted at the beginning of each year for families and children to become acquainted. In 2017, this will be on Wednesday 15th February.
- Interviews are conducted at the end of Term 1.
- An Open times will be held during the year.
- Written Reports are sent home at the end of Term 2 and Term 4.
- Parents/Caregivers are invited to make an appointment to meet with the teacher if concerns arise throughout the year.
- The school has a grievance procedure for resolving conflict or concerns which parents are asked to use.

General

- The School Newsletter is sent home each fortnight. Parents/Caregivers are urged to read and respond to information/requests it contains. The newsletter is uploaded to the school's website following its distribution.
- Parents/carers may elect to receive the newsletter via email.
- A school assembly is held each alternate week on a Friday morning to the newsletter week.
- Students will bring home their blue "Communication Folder" nightly containing their diary/contact book and any notes/newsletters. These do not need labelling as they remain the property of the school (a GST requirement) and must be returned when students leave.
- Parents/caregivers may make an appointment to meet with the Principal at any time. All concerns raised in this meeting will be treated confidentially.

CUSTODY AND ACCESS

DECD Regulations require the parents of school children to be treated with equity i.e. both parents' names will appear on the enrolment documents and both are entitled to information about the child's academic and social development. The school accepts the enrolling parent as the custodian. The school receives advice from the non custodial parent regarding direction of communications. The Principal needs to be informed of any special circumstances which could result in a modification to that policy. A copy of any court orders relevant to the custody of the child/ren should be given to the school. **It is essential that the school be informed of any change in the normal arrangements for the collection of children to prevent any problems or misunderstandings.**

DENTAL CLINIC

Students may access the School Dental Service at Marion GP Plus Health Care Centre, 10 Milham Street Oaklands Park phone 74258200.

EMERGENCIES OR NATURAL DISASTERS

In the event of any natural disaster occurring eg fire, earthquake etc, all children will be kept at school, which is a safe refuge. They may then be collected from their teacher by their parents or another adult who has written authority. The school has an emergency evacuation plan and conducts regular emergency drills each term.

NB: Parents must notify the school as soon as possible of any change of address or telephone numbers including emergency contact numbers.

FILMING YOUR CHILDREN AT EVENTS

We recognise that there are many moments in your child's schooling that you may want to preserve through digital media. It is important to understand that there are children in our school for whom their privacy is a social or legal entitlement and that their image cannot be published. Out of respect for this we ask that you not take photos of/or film other children without prior consent from the Principal and that photos/film of a general nature at school events not be posted on social media including but not limited to Face Book and YouTube.

GREAT (formerly FOUR YEAR OLD) PROGRAM

The Get Ready Engage And Thrive (GREAT) Program is a transition program provided for children who will commence school in Term 1 2017. It is led by Reception teacher, Mrs Georgina Sprigg who supports children's social, literacy and numeracy skills development through a play based approach. Children must be enrolled in Marion Primary School for 2017 to participate in the program. In 2016, the sessions are 8:45 – 10:45am commencing Week 5, Term 1 and concluding in Term 4 prior to the Orientation to School for new Receptions visits.

HOMEWORK

Regular Reading is an expectation of all year levels as part of the Homework Policy.

R - 2 No set amount

10 - 15 minutes

Informal/relevant

Reading, find information

Yr 3-5 2-3 times/week

Reading

Numeracy activities

15 - 20 minutes

Reading

Maths: Number Facts

No set homework on weekends

Research

Written Language

Spelling practice

Learning for tests

Completion of work

INFECTIOUS DISEASES

The Administration and Guidelines recommends that suspected sufferers of the following diseases be excluded from school according to the following table.

Disease

Period of exclusion

Chicken Pox

exclude until all lesions are crusted, no wet sores, there are no moist sores and the person feels well.

Hepatitis

exclude for 1 week after the onset of jaundice or illness.

Conjunctivitis

exclude during the acute stage of infection.

Measles

exclude from unimmunised persons up to 4 days after onset of rash.

Mumps

exclude for 9 days or until swelling goes down.

Rubella (German Measles) exclude until fully recovered or for at least 4 days after onset of rash.

Scarlet Fever

exclude until person has received antibiotic treatment for at least 24 hours or until the person feels well.

Whooping Cough

exclude for 5 days after starting antibiotic treatment.

Common Skin Infections

Impetigo (school sores)

any sore or exposed surface should be covered with a dressing.

Tinea (ringworm)

excluded until the day after appropriate treatment has commenced.

Scabies

excluded until the day after appropriate treatment has commenced.

Head Lice

excluded until day after appropriate treatment has commenced. *Refer to chemist for treatment.*

Medical certificates may be required before students return to school.

INSURANCE

Student insurance is available - brochures are handed out as and when received by the school. Parents whose children have to be present on the school grounds outside of supervised times may consider such an accident cover desirable.

INTERACTIVE WHITEBOARDS – SMART BOARDS

At Marion Primary School we have Interactive Whiteboards. Our boards are manufactured by a company called ElectroBoard and their product is called a Smart Board.

An interactive electronic whiteboard is a presentation device that interfaces with a computer. The computer images are displayed on the board by a digital projector, where they can be seen and manipulated. Users can control software both from the computer and from the board. Participants can add notations, and emphasize by using a pen and/or highlighter tool. By using a finger as a mouse, the teacher or student can run applications directly from the board. Another user at the computer can also have input. Any notes or drawings can then be saved or printed out and distributed to group members.

The interactive whiteboard is great for:

- Demonstrations
- Can accommodate different learning styles. Tactile learners can benefit from touching and marking at the board, audio learners participate in class discussions, visual learners can see what is taking place as it develops on the board.
- One-computer classrooms can maximize computer access by utilising the whiteboard.

LOST PROPERTY

The lost property basket is located in the wet area adjacent to Room 3. At the end of each term articles are displayed for collection. Unclaimed items are washed and used for spare clothes and some are sold for a minimal amount. There are always considerable amounts of lost property without names inside. Please write your child's name inside all of their school clothing.

MEDICINE

From time to time children are required to take medicine or use inhalers. In most cases parents are able to arrange for treatment to be administered outside of school hours. Medication Plans/Asthma Plans must be completed by a doctor and an appointment must be then made with the Principal to prepare a Health Support Plan stating in writing, the nature, dose and duration of medication and

any special requirements. All medication should be clearly labelled in the original container and kept in the front office. Teachers are not able to accept responsibility for treatment.

MOBILE PHONES

Children are not permitted to use their mobile phones (including cameras) at school. Mobile phones must be switched off when students arrive at school and can only be switched on after 3.15pm. These must be kept in the students' bags for the day. Students who bring mobile phones or other electronic items to school do so at their own risk. We strongly recommend that electronic items remain at home to prevent theft or damage.

A permission form is required if a student is bringing a mobile phone. If a permission form has not been received the mobile phone will be secured in the Front Office until the end of the school day.

NUT AWARE POLICY & SUPPORT OF STUDENTS AT RISK OF ANAPHYLAXIS

Anaphylaxis is a severe and sudden allergic reaction. Allergic reactions are common and occur in response to many substances in our environment producing mild reactions. Some people however will have an acute reaction to a trigger producing a severe allergic reaction – anaphylaxis. Such reactions can be serious and life threatening.

Food, insect venom and medication are the main triggers of anaphylaxis. Food allergies are a common cause of anaphylaxis and can be a significant health problem for members of our school community who are at risk. Nuts are one food in particular that is likely to be a trigger for people with anaphylaxis, although other common foods that may create a reaction include cow's milk, fish and eggs.

The school acknowledges that due to food processing practices, it is impractical to eliminate all known allergens and in particular nuts or nut products entirely from an environment where there is food. However, by becoming a "Nut Aware" school, we are ensuring a duty of care to those students who are at risk.

Parents/carers are asked not to send food to school with their child that contains nuts. This includes peanut paste, Nutella, muesli bars, all nuts and cooking oil containing peanut oil, as well as foods containing nuts, (but does not extend to 'food may contain traces of nuts').

OUT OF SCHOOL HOURS CARE

Marion Primary has an Out of School Care Programme that provides both After School Care and Before School Care. Please see the front office staff for enrolment forms. The Director, Sheila Wates will be happy to talk with you about the service, fees and rebate applications. Contact her on 82774486, 0411750941 or sheila.wates382@schools.sa.edu.au.

Hours of operation are:

BSC 7:00 – 8:30am

ASC 3:15 – 6:00pm

Vacation Care is organised for each vacation period as advised.

PAYMENTS

Invoices will be distributed for amounts of \$10 or more. Money sent to school should be placed in a sealed envelope with the details on the outside. When writing cheques please make them payable to "Marion Primary School" and mark "Not Negotiable". Payment of invoiced fees may also be made by EFT. Please contact the School Finance Officer for details.

Payments of all money may be made daily at the Front Office between 8.30am - 9.15am. Receipts will be issued. We ask that payments be made early each day to allow staff to balance and bank money received.

PARENTS AND FRIENDS ASSOCIATION

Participation is open to any member of the school community and newcomers are very welcome – whilst we are primarily a social club, we welcome any ideas or suggestions for fundraising or activities.

Those elected to committee positions meet regularly to organise social/fundraising events and **anyone** interested may attend.

Tea and coffee mornings are held every Tuesday 9.00 – 10.00am, and toys and activities are provided for pre-schoolers.

Pre-Schoolers are welcome.

Information Sessions are also organised on a regular basis. These will be advertised in the school newsletter.

PHOTOS

J/Common/cross/Policies/2016/ParentInformationHandbook/

Class photos, individual and family photos are taken by Master School Portraits. In 2017, this date is 4th April, being in Term 1.

PLAYGROUP

Playgroup is for anyone from the community with children from 0-4 years of age. It is run each Friday 9:30 – 11:00am each Friday morning.

SCHOOL FEE SCHEDULE

Material and Service Charges invoices for each year are distributed in the first week of the school year. Early payment is essential as this contributes to the school programs for your children. A general fee is charged to cover part of the cost involved in supplying stationery, photocopying, art and craft, physical education, library materials, grounds maintenance, sporting equipment and other school projects. Parents who find difficulty in meeting the financial load of school fees may request an extended payment period which will be treated with understanding and in strict confidence by the Principal and the School Finance Officer.

Arrangements can also be made for fees to be paid by School Card or through Centrelink. Application forms are available from the front office and staff will provide further information and assistance.

Library books are provided free on loan and should be treated with care. Restitution will be sought for loss, misuse or deliberate damage.

SCHOOL GOVERNING COUNCIL

The role of the school's Governing Council is to exercise a general oversight over the well being of the school. It plays a major part in developing the school's facilities and assisting the Principal and staff in meeting the educational needs of the community. Councillors are usually elected at the AGM (in Week 3, Term 1) for a two-year period. A number of subcommittees including Grounds, Sport, OSHC, Canteen, and Finance are responsible to Council for their operations. Members of these sub-committees do not need to be members of Governing Council. Parents are welcome to contact members of Governing Council regarding any aspect of its activities. Meetings held twice per term are advised in the School Newsletter.

SICKNESS

Children who are unwell should not be sent to school. Please notify the front office early in the morning (by 9:00am) if your child is home and the reason he/she is at home. If a child becomes ill during the day, parents will be contacted and the child sent home, as sickroom facilities are limited.

SOUND SYSTEMS

All of our classrooms have sound systems which amplify the teacher's voice and provide sound from each corner of the room. The sound systems are recommended for children with Auditory Processing Disorders or hearing problems as a result of ear infections.

SPORT AND PHYSICAL EDUCATION

All children participate in a sport and physical fitness programme including a block of swimming and aquatics lessons.

Sports Day gives children the opportunity to display skills learnt during the year.

The school is divided into three houses:

Banksia	-	Green
Waratah	-	Red
Wattle	-	Yellow

Children are encouraged to wear the appropriate team colours for their allocated team on Sports Day.

SPORTS COMMITTEE

This sub-committee of Governing Council co-ordinates team sports played by children from Year 2 upwards outside school hours.

There are sporting teams in the major primary sports including cricket, basketball, netball and football. Assistance with coaching or team management is essential to enable this programme to continue.

Parents are asked to ensure that all relevant sports forms are completed prior to their child playing.

STUDENT PROGRESS

As a parent you have seen the way in which your child has developed from birth. You will have noticed that this development would not have taken place at the same rate or in the same way as other children you know. So it is with schoolwork! Children progress through the educational program at different rates, in different ways, at different times. They will have spurts of activity and periods of consolidation; it will sometimes take a while for things "to click". Try to resist the temptation to compare your child with others and do discuss any matter of concern with the class teacher.

SKIN PROTECTION POLICY

Marion Primary supports "sun safe" principles. When the UV rating is 3+ (all of Term 1 & 4 and part of Term 2 & 3) children are expected to wear legionnaire, bucket or broad brimmed hats whenever they are outside for any school activity.

Children who do not have an appropriate hat are expected to sit under the verandah by the resource centre.

Other sun safe practices include:-

- Encourage frequent drinking on hot days
- Reduce outside exposure on days of extreme heat
- Encourage parents to supply sun screen and remind students to reapply before going out to play.

SUNSCREEN

Sunscreen is provided for students to apply before they take part in outdoor activities during high-risk times. Parents/carers will be invited to provide or withdraw consent. Parents/carers may provide their own preferred brand of sunscreen for their children's use.

UNIFORM – DRESS CODE

The Governing Council sets the Dress Code for the school and all children are expected to accept it. The wearing of a uniform **promotes pride in the school**, encourages good behaviour and encourages a sense of belonging. As a safety matter, wearing of school uniform enables easy identification of students who are part of our school community as they travel to and from school, on excursions and participate in the learning program at school. It also prevents unnecessary dress rivalry particularly amongst students.

At Marion Primary School our families are very supportive of the school's dress code.

Children need to wear **suitable footwear**. Thongs, platform shoes, rubber boots, ugg boots are not acceptable and are potentially dangerous, particularly on stairs, outdoors when wet or in physical activity.

The only **jewellery** that may be worn by students includes earrings - studs or sleepers and watches. Jewellery of religious significance needs to be worn under clothing. Anything else including necklaces, bracelets, bangles, rings, brooches etc and pierced body jewellery cannot be worn at school as the risk of accidental injury or damage is high.

Such jewellery can: -

- catch on equipment
- be pulled, twisted or bumped by others
- be lost or broken
- be a distraction in the classroom
- prevent full participation in activities and sport

On excursions children must be dressed in school uniform. This is a safety requirement.

Suitable clothing needs to be worn for **physical education** and **sporting activities**.

The school's colours are **navy and sky blue (double blue)**.

The school maintains a stock of monogrammed items. Items are on display in the front foyer area. All uniform items are of easy care fabric and costs are kept as minimal as possible.

- Double blue short-sleeved polo shirt (compulsory)
- Long sleeved sky blue polo shirt (optional)
- Wind cheater (navy or navy with light blue sleeves depending on size and availability)
- Polar fleece jacket (navy)
- Bucket or broad brim hat (navy) (when UV rating is 3+)
- Summer dress in a blue and white check (available in stores only)

Jeans, denim shorts and board shorts are not acceptable school wear.

Other items to be in plain school colours of navy blue (no logos)

- Uni sex shorts (navy)
- Track Pants (navy)
- Leggings

Please note that sky-blue, short-sleeved polo shirts are no longer sold as part of Marion Primary School uniform. Emblems that can be ironed on to items of clothing are available at the front office.

Year 7s have a specially designed windcheater for their senior year.

It is recommended that ALL clothing have your child's name stitched or printed onto the inside label.

Students show respect for themselves and their school in the way in which they wear their uniform. Therefore they are not permitted to write/draw on themselves or their uniforms or damage their uniforms in any way.

We recognise that sometimes parts of uniforms are not available some days (wet weather in particular when the washing is hard to get dried). Please write a note to your child's class teacher advising of the reason.

Student Representative Council recommends "non-uniform" or casual days to the Principal. These are usually held on the last day of each term and students who wear casual clothes are encouraged to bring a gold coin donation that is collected towards a charity of

SRC's nomination. Other days may be nominated as "casual days" to celebrate a significant event. These days are advised in the newsletter.

VOLUNTEERS

Involvement of parents, grandparents, retired teachers etc in the classroom and wider activities of the school in a wide range of roles including listening to reading, working with groups in art and craft activities, supervising excursions etc. is strongly encouraged and valued. Parents who are assisting in their child's learning are not required to apply for a DCSI Screening. These are a requirement of all other family members and other volunteers who assist in the school in any way. Marion Primary School's Volunteer's Policy provides guidelines for those community members who volunteer including an Agreement to sign and an Induction Checklist to complete and we ask that these are signed at the start of the year. All volunteers must undertake RAN (Reporting Abuse and Neglect) training organised by the school each year. The Principal meets with all volunteers before they take part in school activities for the first time.

YARD DUTY

Teachers are on yard duty from 8.30 am in the mornings. Children should **not** arrive at school prior to this time unless they are going to Before School Care. Students arriving regularly before 8:30am will be required to attend Before School Care at parental cost.

Teachers finish yard duty at 3.30 pm each afternoon. Children not collected by this time will be brought to the office and directed to After School Care if not collected by 3:35pm.

During the day staff are rostered to provide supervision in the yard during play times.
