Monday 14	Adelaide Cup – public holiday
Friday 18	National Day of Action against Bullying
April	
Thursday 14	Last Day Term 1
Friday 15	Good Friday – public holiday

From the Principal

Onsite classroom learning has returned

It has been wonderful these past two weeks to welcome students back onsite for classroom learning. With all students back, routines have been established and classrooms are buzzing with life and learning. As we move into week 5 next week more restrictions have been lifted allowing extra-curricular programs to resume. Our Instrumental Music - Strings program for students in Years 3-6 will recommence next week as we welcome back onsite our strings Tutor Ms Katie Roper. Choir is also able to recommence and Ms Alla will be returning again this year working with Mrs Stone and our Year 4-6 choir students. Year 6 are heading off to their Aquatics program on Wednesday and classes can start to work more closely together again which means buddy programs will be able to run again too.

Thank you to all families who are being vigilant in keeping children home when they are sick, and thank you also for wearing your masks when onsite. Due to the support of our community we are managing to avoid the major COVID outbreaks that some other areas have been exposed to.

Language program 2022

It has been such a fantastic start to the year, with students very excited and motivated about learning Auslan. The main areas we are focusing on at the moment are signing the Auslan Alphabet, finger spelling our names and

signing the numbers 1-30. Attached with this newsletter you will see posters of the Alphabet Mat and numbers 0-30 (pictured here also). Why not start practicing at home with you child (ren)! We have also started to learn some nursery rhythms too so ask your child to show you what they have been learning in class.

National Day of Action Against Bullying

Friday 18th March marks the 12th year of the National Day of Action against Bullying and Violence. The theme for 2022 is Kindness Culture. By building Kindness Culture together, we can promote inclusion, respect and community belonging for all students in schools across Australia. One of the focus areas this year is online behaviour and a new resource Be Kind Online has been produced. We will also have a visit from SAPOL to discuss Cyber Safety in our year 3-6 classes. Over the next few weeks a range of Fact Sheets will be provided with each newsletter to assist families to talk with children about what bullying is and isn't, some key facts about bullying, signs of bullying and types of bullying. By shining a light on these issues and talking and educating our children about them we continue to move towards their eradication.

For more information on the Be Kind Online resource for children in years 3-6 and 7-12 visit the following link:

<https://bullyingnoway.gov.au/resources/classroom-resources>

Principal

Assemblies and newsletters

Each fortnight, class teachers select two students who are presented with a School Values Award at our school assembly. Assemblies will recommence soon. School newsletters are published fortnightly in alternate weeks.
