Christmas Seminar

On Tuesday December 13th a Christmas Seminar will be presented at school by the group Life Matters. Life Matters is a subsidiary of the Schools Ministry Group. This presentation is open to all students from Reception to Year 6. It is not compulsory and families may choose whether their child(ren) attend or not. Christmas Seminars or performances have not been running over the last 3 years of COVID, so for many families this may be a new program that children have not experienced before. Christmas seminars or performances contain a Christian theme with this year's theme being Humility. A parent information and permission note will come home with all students next week. It will include a permission slip along with an overview of the content and theme of the seminar.

Special lunch order days coming up

Our canteen will be running some special lunch order days in the last week of term. The Beefy Burger day will be back and a special sushi lunch pack will be available for the years 3-6 pool excursion. Our canteen will provide more info closer to the dates.

Sports Assembly

Our annual Sports Assembly will be held at the normal assembly time of 2.45 – 3.15 on Friday December 9th. It will be held in the Gym and will acknowledge the sporting efforts and achievements of students in the interschool basketball competition as well as SAPSASSA events and competitions held across the year.

Christmas raffle donations

You would have received a note home last week about our Christmas raffle. Raffle tickets will be coming home shortly and the prizes will be drawn at our End of year concert on December 1st. We continue to accept any donations for prizes – books, Christmas items, store packaged foods, pampering items, and any other contributions would be gratefully accepted.
