From the Principal

Notes home last week – please read and complete all sections

A number of notes were sent home last week with students and are due for return. If you haven't seen and returned them then please check your child's bag. If notes have disappeared please drop in to the office to collect a replacement.

Notes currently awaiting return are:

- Enrolment intentions 2023
- Class friendship choices
- Instrumental music (strings) program expression of interest years 2-5
- Christmas seminar attendance permission
- Years 3 – 6 pool excursion permission
- Rooms 6/7 sleepover permission

Please ensure you read notes carefully and indicate any permissions that may be required prior to signing and returning. At present the front office is receiving a number of returned notes which are signed, but do not indicate whether a student has permission to participate in an event or not. This then takes up a considerable amount of time in following up, which places an undue burden on our already busy front office. Thank you for your attention to this matter.

Concert night

Our annual end of year concert night is fast approaching and will be held next Thursday evening December 1 in the school grounds commencing with a sausage sizzle, hot coffee and cold drinks from 5.00 – 6.00pm and entertainment commencing from 6.00pm. Please see the evening program attached with this newsletter.

Term 1 2023 – Arbury Park Camp for years 5 and 6

We have confirmed a camp booking at Arbury Park Outdoor School for a year 5 /6 camp in term 1 2023. Students from years 5 and 6 in 2023 will have the opportunity to attend from Monday February 20 to Wednesday February 22. This is in week 4 of term 1. This will be an excellent opportunity to build relations with teachers and students and set up the 2023 senior students with a range of experiences that will carry them through the year as leaders in our school

community. More details will be sent home next week. For more information on Arbury Park Outdoor school please see their website: <https://arburypark.sa.edu.au/>

Sports Assembly

Our annual Sports Assembly will be held at the normal assembly time of 2.45 – 3.15 on Friday December 9th. It will be held in the Gym and will acknowledge the sporting efforts and achievements of students in the interschool basketball competition as well as SAPSASSA events and competitions held across the year.

Christmas raffle donations

Thank you to all who have already returned raffle books and to our families who have made donations to the prizes. Our fundraising committee are already busy at work creating the prize packs which also include items from corporate sponsors Terry White Chemist, Officeworks and Bunnings. Don't forget – raffle tickets are due back by Wednesday November 30th and you can ask for additional books if you are able to sell more! Thank you to all involved.

Reminders:

School closure Day – Friday December 2

Our school closure day will be held on Friday December 2 (week 7) following the school end of year concert evening.

Christmas Seminar

On Tuesday December 13th a Christmas Seminar will be presented at school by the group Life Matters. Life Matters is a subsidiary of the Schools Ministry Group. This presentation is open to all students from Reception to Year 6. It is not compulsory and families may choose whether their child(ren) attend or not. Christmas Seminars or performances have not been running over the last 3 years of COVID, so for many families this may be a new program that children have not experienced before. Christmas seminars or performances contain a Christian theme with this year's theme being Humility. A parent information and permission note will come home with all students next week. It will include a permission slip along with an overview of the content and theme of the seminar.

Outstanding library books

Invoices will be sent home shortly to families that have overdue library books. Reminders have been sent home previously and some books have been overdue since March. If you have received an overdue notice could you please have a check again at home and return your books as soon possible.

The School of Languages

The Dept for Education, School of Languages is a government school established to provide access, choice and continuity in a range of Languages, to students across the broader metropolitan area. In 2023 they will be offering R-6 language programs in 15 languages, after hours, in 16 different locations (Teaching Centres). For more information please go to their website: <https://schooloflanguages.sa.edu.au/>
